North Commissioner
Kaskan Sub-D
Camp Pulya
8 April 83

Proceedings of a meeting of the Hassan Municipal Board held at the Sub-division Office at Hassan on the 29th March 1883 pursuant to notice.

Present

1. The Assistant Commissioner in charge of Hassan Sub-division.
2. The Civil Surgeon Hassan.
3. The Executive Engineer Hassan Division.
4. The Amildar Hassan Taluk.
5. Mr Soorashetty.
6. -"- Hassan Krishnappa
7. -"- Mallashetty
8. -"- Ghous Mohadin Sheriff
9. -"- Rama Row
10. -"- Gangannashetty
11. -"- Gramada Poottanna.

Absent

1. - Bhimanna
2. - Goolam Mohadin Saib
3. -"- Syed Ameer Ali Saib.

The Proceedings were opened by the Sub-division Officer observing that that was the first time he had the

honor of meeting the members of the
Board and the earliest opportunity
that had presented itself for con-
-vening a meeting since he assumed
charge of the subdivision; and he
expressed a hope that although
events had occurred since they
last met in that room calculated
to throw a damper on their minds
notably the death of the late Dewan
and the abolition of the District—
with the changes that attended
it, nevertheless with the cordial
co-operation of the members of the
Board, the Kannan Municipality
will continue to merit that repu-
-tation which has belonged to it
since the days of Col: Hill.

2. Before passing to the business
of the day, it was proposed by
Mr. Srobarayer and seconded by
Kannan Krishnappa and unan-
-imously resolved, that the Board
record an expression of its great

sorrow at the loss the country has sustained in the death of M^r Ranga charlu late Dewan who among other great virtues took a special interest in the development of municipal and representative institutions.

3. An account of Receipts and disbursements of the Kaveri Municipality for the year 1882-83 being actuals for the first eleven months plus approximate estimates for the current twelfth month was read to the Board as a basis for the estimates for the ensuing year 83.84 which were also framed and adopted. These are embodied in the accompanying abstract and detailed statements, the latter showing briefly the grounds upon which the figures have been adopted. On the whole the Receipts are estimated at ~~Rs~~ 5825 excluding the balance from the expiring year and the inf...

at Rs 6,099. The Board feel justified in providing for an expenditure of Rs 274 in excess of the actual receipts accruing during the year on the ground that the provision made for compensation for removing Koopkoo's paraphernalia being provision for a permanent improvement is a legitimate charge against the savings of previous years.

4. The Board desire to take this opportunity of again urging upon the Dewan's notice the inexpediency of being debited with the entire and heavy charge for ... Town Police which it is the least able to bear now that its resources have been crippled by the abolition of the District and consequent diminution in its receipts.

5. Resolved that the land behind the new Temple at Chepauk which was temporarily given out many years for cultivation be resumed

and be given to the Petté people for planting a Tope as originally contemplated (Proposer Gangamma Shetty).

6. Butcher Namoonigya's representation that he is not liable to pay tax on animals slaughtered for the Musjid dinner being placed before the Board, it was resolved that it be ascertained whether he slaughtered the cattle for selling meat to the promoters of the Musjid dinner or for a fee, the cattle belonging to the promoters themselves; and that in the event of the former alternative being the fact, he was liable to pay the tax and in the event of the latter, he need not

7. It having been brought to the notice of the Board unofficially that C. Srinivasiyengar was doing work in the Harkan High School as Kannada Moonshi from August 2nd to November 30th last, in

the understanding that he would receive Rs 5 a month from the Municipality for which a provision had been made in the Municipal Budget for 82 83, it was resolved that in the opinion of the Council's Proceedings dated 22nd February 7130/181 and forwarding a sum of Rs 20 received by Srinivasa Iyengar for the aforesaid period and sanction to the Budget 1883 84 be awaited before the Government be moved.

Sabd with the Shimoga municipal Budget

2. Petition from Municipality in permission to open a drain in one of their lands leading into the Municipal V shaped drain was read before the Board. It having been represented that there is likely to be inconvenience by the objection of the Municipality to allow the drain in question to be opened across the land, the matter was ordered to be put off till next meeting in order to procure the necessary information

proceeding the place.

9. On proposition made by Hassan Kuttiappa and seconded by Gangamooshaby that a path should be opened from the new Basavanna godi to it was resolved that the distance be measured and an estimate prepared for cost of construction and compensation for land that will need to be taken up.

10. It being brought to the notice of the Board that the site of the old market continued to be a nuisance in consequence of the grantee not having fulfilled the conditions of the grant, it was resolved that notice be once more given calling upon him to carry out the terms on which the site was granted to him failing which the site should be resumed.

11. The meeting then separated.
